SUBJECT: Hartzell Air Movement New 5 Year Warranty

Hartzell Air Movement has announced a 5 year extended warranty on its entire product line at no additional cost. Registering your Hartzell product is mandatory.

To register your fan, contact Ventilation Specialists, Inc. and we will help you in filling out the required information. This extended warranty form must be filled out within 90 days of your fan shipment and emailed to Hartzell Air Movement.

Please note that purchased consumable parts such as motors, drives, VFD's, etc. do not qualify.

This new extended warranty clearly exceeds any other in the industrial air movement industry. Hartzell Air Movement has been manufacturing fans and blowers since 1875 and firmly believes that the quality and longevity of their fans is superior in the marketplace.

We hope you will take advantage of this exemplary extended warranty.
