

FANTASTICS

A Quarterly Industrial Ventilation Newsletter

Second Quarter 2023

COMPANY NEWS

Ventilation Specialists Inc. has been selected to represent Illinois Blower custom centrifugal and axial blowers in Florida. Their specialization is to offer non-cataloged fans and blowers which are out of the performance range of many other fan companies.

Ventilation Specialists Inc. is investigating purchasing a satellite office in the Jacksonville area to service accounts in North Florida and South Georgia.

VSI EMPLOYMENT SEARCH

Based on expanding our sales coverage, Ventilation Specialists Inc. is actively seeking to hire an additional sales engineer. On-the-job (OTJ) training provided. Please contact Steve Ousley at 863-324-4000 or steve@vsifans.com.

No cost plant ventilation evaluations are now available depending on the travel time within Florida and Georgia. Ventilation evaluations can also be done virtually.

PROJECT SPOTLIGHT

Current In-house projects include but not limited to the following:

1. Bagasse building infiltration capture
2. Water treatment chemical exhaust
3. Turbine generation plant ventilation
4. Chemical storage room ventilation
5. Battery plant ventilation
6. Citrus CIP ventilation
7. Drum heater purge exhaust system
8. Conveyer tunnel exhaust system
9. PVE oven gas exhaust
10. Transformer switch room ventilation
